

Telephone Information Update

We are in the process of updating our phone numbers for school delays and closings and various school reminders. Please fill out this form and return it to school as soon as possible.

Family Name: _____

Grades of Children: _____

Primary Phone Number: _____

Alternate Phone Number: _____

Email Address: _____

The primary number will be used to notify you of school closings in the AM.

The alternate number will be used to contact you during school hours. If home is the best place to reach you, please put that number.

Remember, you can only put *ONE* phone number for each.

The email address will be used to coordinate PTO school events.

Thanks for your cooperation!
